

## STEP ON HOW TO REGISTER

by DDKoin Support

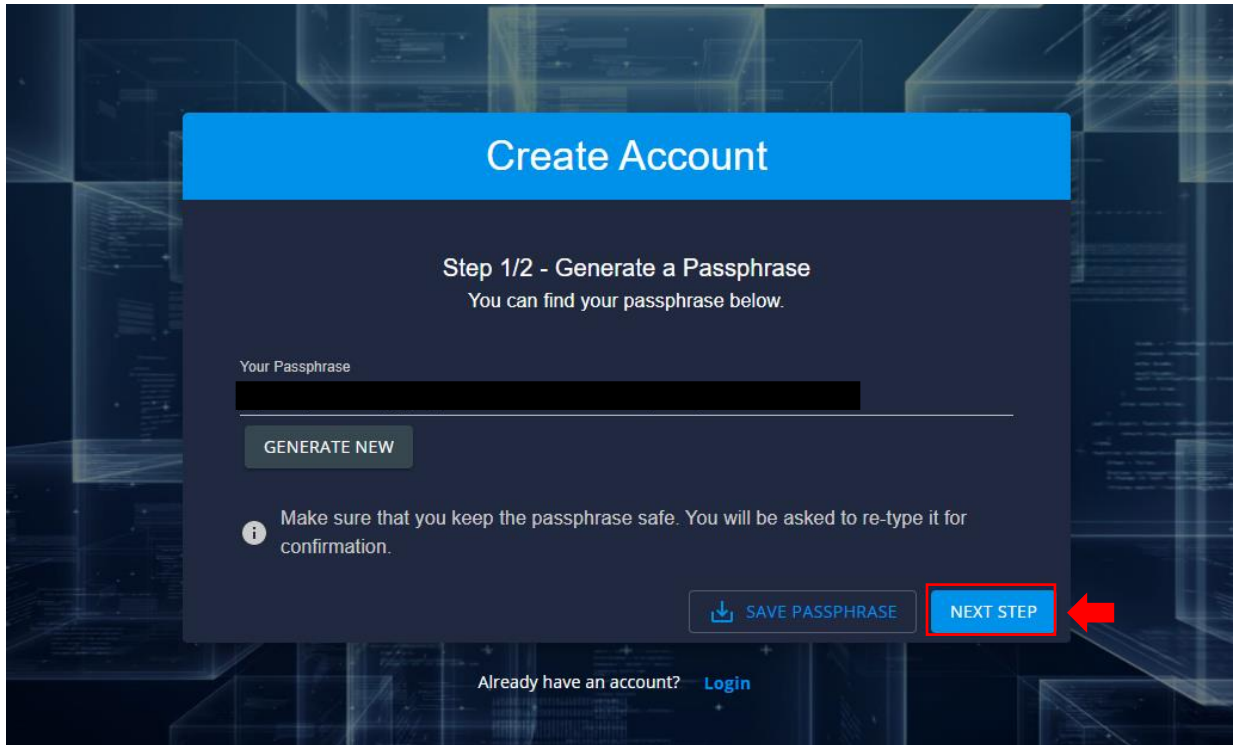

To register for DDK main-net wallet, all you need is to go to DDK main-net wallet site on your desktop. This are the DDK wallet Main-Net link to open the DDK account:

1. <https://mainnet12.ddkoin.com>
2. <https://mainnet13.ddkoin.com>
3. <https://mainnet14.ddkoin.com>
4. <https://mainnet15.ddkoin.com>
5. <https://mainnet16.ddkoin.com>
6. <https://mainnet17.ddkoin.com>

Click on “**NEW ACCOUNT**” to continue.

Next, you need to select or generate your own passphrase. Before you click “**NEXT STEP**” please make sure you remember and save the passphrase that you have set as you need to re-type it back.

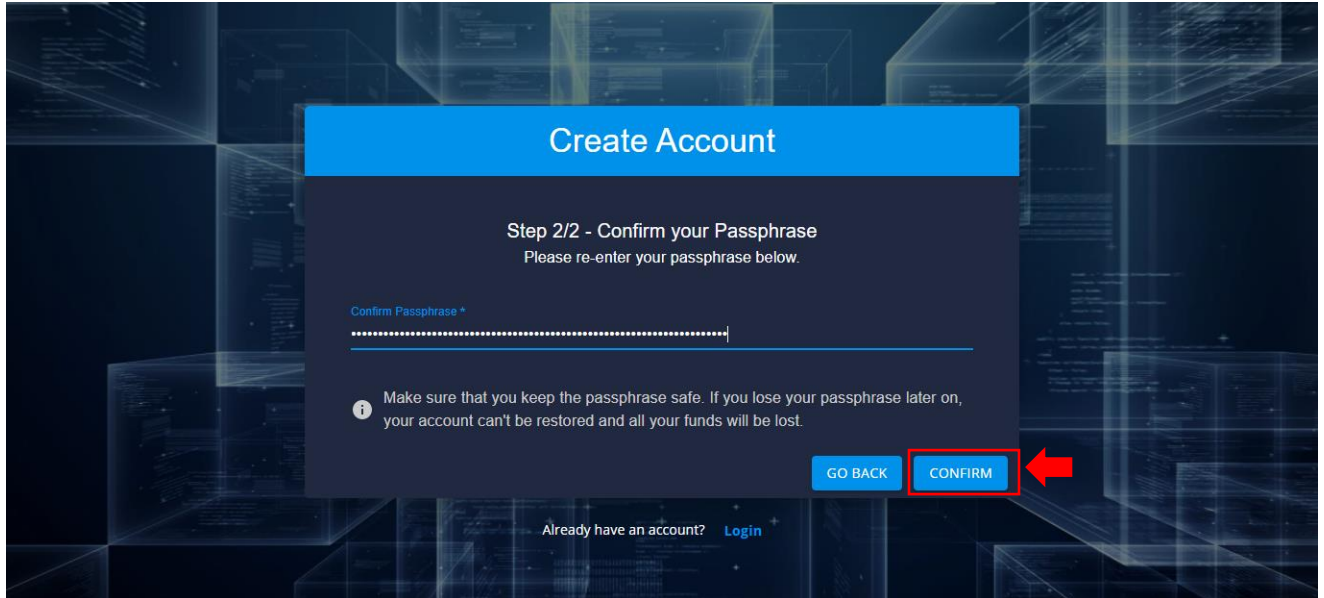

The image shows a 'Create Account' modal window with a blue header. The main content area is dark blue and contains the following elements:

- Step 1/2 - Generate a Passphrase**  
You can find your passphrase below.
- A text input field labeled 'Your Passphrase' containing a blacked-out passphrase.
- A 'GENERATE NEW' button.
- An information icon followed by the text: 'Make sure that you keep the passphrase safe. You will be asked to re-type it for confirmation.'
- At the bottom right, two buttons: 'SAVE PASSPHRASE' (with a download icon) and 'NEXT STEP' (highlighted with a red box and a red arrow pointing to it).
- At the bottom center, the text: 'Already have an account? [Login](#)'.

Note:

- Please keep your passphrase securely as lost passphrase attempt to lose your account.

Re-type your passphrase, after that click on “**CONFIRM**” to create your account.

Create Account

Step 2/2 - Confirm your Passphrase  
Please re-enter your passphrase below.

Confirm Passphrase \*

Make sure that you keep the passphrase safe. If you lose your passphrase later on, your account can't be restored and all your funds will be lost.

GO BACK CONFIRM

Already have an account? [Login](#)

Now you have successfully created your DDK account and able to login using the passphrases that were provided to you.
