

## STEP ON HOW TO CHECK VOTE COUNT

by DDKoin Support

You can check your vote count on Stakes tab.

First, go to “Stake” page and click on “LATEST STAKES” to view your vote count.

The screenshot shows the KOIN web interface. On the left sidebar, the 'Stake' tab is highlighted with a red box and a red arrow labeled '1'. In the main content area, the 'LATEST STAKES' tab is highlighted with a red box and a red arrow labeled '2'. Below this, there is a table titled 'Stake Orders' with the following data:

| STAKE AMOUNT | CREATED AT          | NEXT VOTE MILESTONE | STATUS   | VOTE COUNT |
|--------------|---------------------|---------------------|----------|------------|
| 1            | 16/09/2018 08:23 PM | 10/09/2019 05:38 PM | Inactive | 24         |
| 0.339889     | 16/09/2018 08:22 PM | 05/12/2019 09:58 AM | Inactive | 24         |
| 1            | 16/09/2018 08:22 PM | 29/10/2019 03:59 PM | Inactive | 24         |
