

## STEP ON HOW TO CHECK VOTE HISTORY

by DDKoin Support

You can check your vote on the Delegates tab.

First, you need go to “**Delegates**” page and then click “**MY VOTES**” to view your vote history.

The screenshot shows the KOIN dashboard interface. On the left sidebar, the 'Delegates' tab is highlighted with a red box and a red arrow labeled '1'. The main content area shows the 'DELEGATES' tab selected, with the 'MY VOTES' sub-tab highlighted by a red box and a red arrow labeled '2'. Below the sub-tab is a table titled 'My Votes' with the following columns: USERNAME, FORGED BLOCKS, MISSED BLOCKS, UPTIME, and VOTES. The table contains seven rows of data, each with a checkbox in the first column.
