

STEP ON HOW TO VOTE

by DDKoin Support

To perform voting, you can click on “**Delegates**” tab on the left of your dashboard. Then view “**DELEGATES**”.

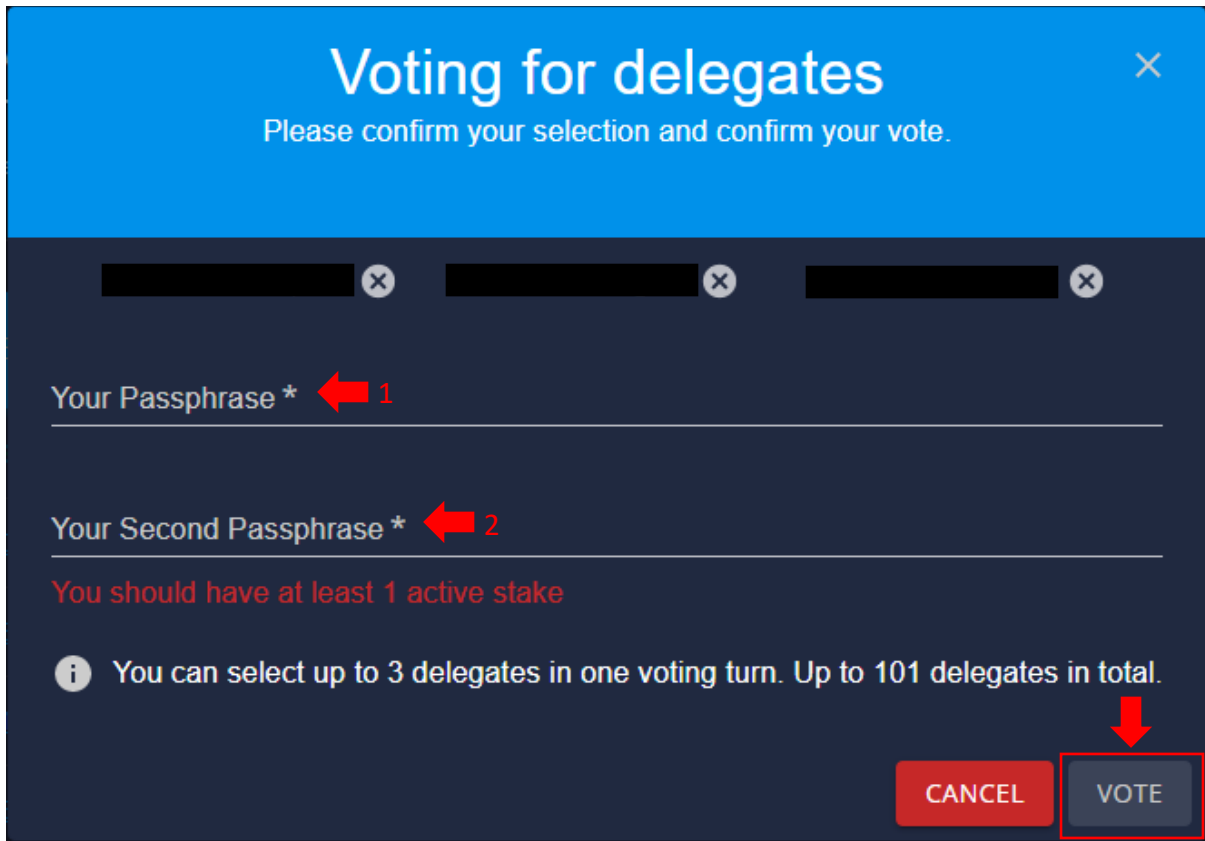

You can vote up to 3 delegates (Minimum 1, Maximum 3 Delegates). Choose your delegates by clicking on the tick sign. Then Click on the “**VOTE**” button.

The screenshot shows the KOIN dashboard interface. On the left sidebar, the 'Delegates' tab is highlighted with a red box and arrow labeled '1'. The main content area has a 'DELEGATES' tab selected, also highlighted with a red box and arrow labeled '2'. Below this is a search bar for delegates. A table lists delegates with columns: USERNAME, FORGED BLOCKS, MISSED BLOCKS, UPTIME, and VOTES. The first three rows have their selection checkboxes checked, indicated by a red box and arrow labeled '3'. At the top right of the table, it says '3 out of 3 Delegates selected'. A 'VOTE' button is highlighted with a red box and arrow labeled '4'.
